Do not wear more than one earphone while riding
Utilice únicamenta un solo auricular cuando andre en bicicleta
騎車時切勿雙耳佩戴耳機

Tips for the Ride

Use bike boxes to make turns
The box gives you space at red lights for a head start or making turns.

Stay 3 feet from parked cars
If cars can't pass you with three feet to spare, take the lane.

Watch for turning cars
Merge in front of or behind turning cars. Take the full lane & don't hug the curb.

Trucks have large blind spots
Give them extra room.

CyclEyes

There are over 175,000 New Yorkers who are blind or visually impaired
As you ride, please be on th lookout for them. They might not see you coming.

Watch
Look for people using long white and red canes or with guide-dogs.

Wait
If they have started to walk, let them cross the street before moving. Do not bike around a person with a guide-dog, as it can startle the sevice animal.

About This Map

Disclaimer

The City of New York has published this map to aid cyclists. Cyclists are urged to use facilities that are suitable for their individual cycling skills and to be aware that traffic volumes, during certain times of the day, may be unsuitable for their cycling abilities. This map does not substitute for a roadway map. The City of New York takes no responsibility for users' safety and in no way warrants the safety or fitness of the suggested routes. Ride carefully!
