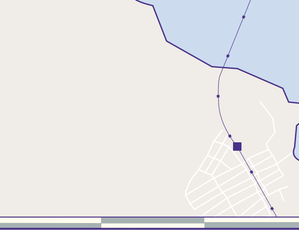
Street-Smart Cyclist

An approved bicycle helmet can greatly reduce the risk of death or permanent injury in the event of an accident. Look for the CPSC or Snell Memorial Foundation Standard stickers.



Street-Smart Skater

In-line skating is an effective form of low impact aerobic exercise. Wear safety equipment, control your speed and yield to pedestrians. Racing or trick-skating have no place on paths, sidewalks or roadways.

The Staten Island Bicycle Association organizes weekly group rides from April to October starting every Sat. and Sun. at 8:30 am from Miller Field parking lot at Mill Road. For info: call 718-948-2025
